

Port Charlotte International Church

"A Destiny-Friendly Environment for All People"

March 2008 Newsletter

There might be some validity to the whole "mid-life crisis" debate after all! My recent birthday prompted me to sit down and think about the direction of my life and ministry now that I am already 42. These words describe it: pioneer and harvester.

The first ministry I started, "The Harvest's Full Gospel Ministries" was in 1985, shortly after returning to Jamaica from the CFN Institute in Texas. By God's grace, Betty and I are surrendered to a lifetime of ministry. We do not seek the plush comfort and settled life of the accomplished. A fire burns in us to be part of the Harvest!

Here at PCIC, we are poised for a mighty harvest of souls. We have the tools and are launching the nets through a series of new TV/radio programs and "Harvest Events" in the community. The Lord of the Harvest is assembling laborers for the task.

There is a job for those already in Charlotte County, but there is also a part for those outside of this county. Partners in the Harvest can help us by:

- Praying for souls, wisdom and the anointing
- Giving of finances, help us with the tools for the harvest
- Giving of talents through volunteering

Please join us for our 5th Anniversary Conference: Complete Recovery on March 30, 2008 through April 1, 2008. Meetings are at 10:30am and 7:00 pm. The visiting ministries include Pastor Chuck Pelham and the New Harvest Worship Band, Junior Tucker, Al Lloyd and local youth bands. Visit our website for more information www.pcichurch.org.

**"Do you think the work of harvesting will not begin until the summer ends four months from now? Look around you! Vast fields of human souls are ripening all around us and are ready now for reaping. The reapers will be paid good wages and will be gathering eternal souls into the granaries of heaven! What joy awaits the sower and the reaper, both together!
John 4:35-36 (LB)**

I look forward to hearing from you.

Blessings,

Pastor Peter Burnett
